[01] *He Rose In the Moonlight*

[Refrain:] Whispers in the moonlight / Halos in the sky
He Rose to the lonesome cry of my heart open //
He rose in the moonlight / Touching shoulders in the night /
All regretful times of my life rose again //
[Piano Instrumental Chorus]
[Refrain:] He rose in the moonlight / A gift from the stars
Waitin' by / hangin' on to the trivial / lies I told him once //
He rose in the moonlight / Keep tellin' me to move on /
But I know / I know / I'm not afraid of you anymore //
[Piano Instrumental Chorus]

[02] *We're On This Path Together*

[Refrain:] Way down beneath your / ordinary things /
Try not to stop yourself from lovin' who you are //
Warriors and angels are doin' all they can /
to love one another and protect you from yourself //
The walls between you / that separate your kind /
the love between you / that makes you feel brand new //
Way down beneath your / ordinary things /
Try not to stop yourself from lovin' who you love//
The walls between you / that separate your kind /
the love between you / that makes you feel brand new //
[Chorus:] Walk beside my love / and feel your strength /
who you are / the devil has not made //
Walk beside my love / and feel your heart /
embrace your pain / embrace your heart //
Cuz we're on this path together /
Yes, we're on this path together / together, together, together //

[03] *It's Not Too Late (Lay Your Burdens Down)*

[Refrain:] I once had a dream / I once had lifetime /
I thought I'd figure out / the rest of my world /
I once had a lover / who'd tell me his secrets //
Thought I'd spend the rest / of my life by his side //
[Chorus:] It's not too late / To lay your burdens down /
It's not too late / To surrender to yourself //
[Refrain:] I once had a dream / I once had a lifetime /
Thought I was the brightest / Of a million stars in the sky //
I once had a lover / Who'd tell me his secrets /
Thought I was the only / One in his life //
[Chorus:] It's not too late / To lay your burdens down /
It's not too late / To surrender to yourself //
[Bridges:] Time runs in circles around /
Heart beatin' faster around my love /
Time runs in circles around / My love
[Chorus:] It's not too late / To lay your burdens down /
It's not too late / To surrender to yourself //

[04] ***Lovin' and Losin'***

[Refrain:] Lovin' / Lovin' and Losin' /
Strivin' / Strivin' for more /
Movin' / Movin' through oceans /
Drivin' dark horses away //

You know lovin you ain't easy /
But you can't stop and I won't stop /
Until We're All Free //

Strivin' / Strivin' for more /
Bullshit! Dammit I'm tired /
Of runnin' into battles I can't win /

And I, I keep my head held strong / And I, I keep comin' back to this /
To my, my one true love //

Goodbye don't cry I'll see you another day /
Goodbye don't cry I'll see you another day //

[08] ***Guardians of Truth***

[Refrain:] I'm ready for the life /
The life that brought me here /
I'm ready for the tide /
That brought me to the shore //
All the memories / That brought me close to you /
The reasons have all come and gone /
They've all been said and done //
I'm ready for the light /
And the resonance of your voice /
I'm ready for the height /
And the depth of our embrace /
All the memories /
That brought me closes to you /
The reasons have all come and gone /
They've all been said and done //
[Chorus:] The River has taken me /
On a journey far from home /
All it's tributaries / Will be the guardians of truth //
[Bridge] Almost overstated /
Almost overdone / I cannot be taken /
Taken without love //
[Chorus:] The River has taken me /
On a journey far from home /
All it's tributaries / Will be the guardians of truth //
I need the guardians of truth / To be the guardians of truth /
I need the guardians of truth //

Hearts once broken / are now dancin' in the fields

Dancin' dancin' / We're all dancin' in the fields. //

[14] *Song of Shallows*

[Refrain:] Across the river, the empty shore /

I'll sail this boat to meet you there / These whispers take me home again

The journey, father to the East // The Song of Shallows

Calm waters come and go / The touch, the feel of winter breeze /

To ease the fire burning wild and strong / The song to comfort you. //

[Chorus:] I am you and you are me / Looking in our hearts for us

I am here for you, my friend / And I will always be here //

The house, the moment / The sweetness of youth //

The child, the temptress / The play and fun /

To ease the fire burning wild and strong //

I am here for you, my friend / And I will always be here //
