Love is a garden/ we tend/ throughout our lives/ Love is a garden/  
I'll plan to meet you there/ Every moment is precious as it is/ Every breath/  
is a heart and a soul wrapped in your palms/ Wherever you are/  
We'll meet in the garden of our love  
Lay your body close to mine/ and/ say you'll never leave/  
Lay your body close to mine/ and/ say you won't be long / Every moment/  
is precious as it is/ Every breath/ is a heart/ and a soul wrapped in your palms/  
Wherever you are/ we'll meet in this garden of our love/  
Love has a heart that keeps on beatin'/ No matter/ if your faith is weak or strong/  
Love has a heart that keeps on givin'/ When all hope/ was tried/ and now is done  
Love is a garden/ we tend/ throughout our lives/ Love is a garden/ I'll plan/  
to meet you there/ Every moment/ is precious as they come/ Every breath/  
is a heart and a soul wrapped in your palms/ Please remember/  
we meet in this garden of our love//

Cold like rain in your eyes/ Cold like rain in July/  
We were brokenhearted/ from the wounds we shared/  
and tended/ But I guess we'll never know/  
And I guess we'll never show/ our tears/ Never wanted anything/  
Never wanted to dream in your bed/ Never wanted to bear/  
Never wanted to wear your ring/ Just love/ somebody/ and/ tell 'em/ you're/  
so sorry/ Cuz you can't help/ but never show your tears/  
We were brokenhearted/ from the wounds we shared/ and tended/  
But I guess we'll never know/ And I guess we'll never show/ our/ tears//

I dreamed/ that you were/ waking inside me/ all along/ I dreamed/ you were/  
part of myself/ I rest in your arms/ to pass the/ time/ I rest in your arms/  
to open your canvas/ wise/ to be alone now/ without disguising/  
Our love's/ as big as an ocean/ sailing/ tenderly/ in a/ breeze/ Our love's/ as big as  
an/ ocean/ and we will/ never/ return now/ that we've found love/ we found love/  
in this ocean of ours/ I dreamed/ that I was/ waking inside you/ all along/ I dreamed/  
I was/ part of yourself/ I rest in your arms/ to pass/ the time/ I rest in your arms/ to  
open your canvas/ wise/ to be alone now/ without disguising/ Our love's/ as big as an  
ocean/ sailing/ tenderly/ in a/ breeze/ Our love's/ as big as an/ ocean/ and we will/  
never/ return now that we've found love/ we found love/ in this ocean of ours//

Both gentle and kind/ and wild and fierce/ I walk through the jungle  
of my heart/ I walk through the forest/ and felt the earth/ I walk through the forest/  
holding hands with the ones I love/ I walk through the forest/ feeling the ancient  
ones/ beholden to/ and resting in dew/ I/ walked through the forest and I cared for  
you/ We walked through the forest and we cared for you/ We walked through the  
forest/ and we cared for you/ We walked through the forest/ and we cared for you//

Remember who you are/ Remember where you come from/ Every in-  
breath/ is a time for wakin' up/ Every out-breath/ is a time/ for lettin go o  
o o o/ So don't hold back/ no no no/ cuz this is it/Return your mind/ to  
your body/ Return your heart/ to love/ Feelings/ they come and go/ like  
clouds/ in a windy sky/ Every in-breath/ is a time for wakin' up/  
Every out-breath/ is a/ time for lettin go o o o/ So don't hold back/ no no  
no/ cuz this is it/ Return your mind/ to your body/ Return your heart to  
love/ It's not too late/ It's not too soon/ Even heartache/ can be calmed and  
cooled/ So don't hold back/ no no no/ cuz this is it/ Return your mind/ to  
love/ Return to love/ Return to love/ Return to love//

On the second of this loss/ I found myself in trouble/ And I'm/  
broken down/ in the city/ I know I'm a stranger of/ And I've/ Lost my love  
in a fire/ and I lost myself in a haze/ and I drove all night in circles/ on  
that sand I call my fate/ I love to see you in my dreams/  
I love to know you/ even so slightly/ I hope every second I can breathe/  
Home is closer than you think/ All the boomers and their gold/ at the end  
of the last century/ are now/ called to witness all we've been  
unable to seize/ I'm a captive to the scent/ of the ones I care about/ And we  
grow up/ on the anchor of our love/ I know my arms can be crueller than  
they seem/ I know we can regain heart/ Every second we grow more/ than  
we've ever/ Home is closer than we think/ Home is closer than we think/ I  
know I've/ been a fool for love/ Cryin'/ all this/ time/ I guess I've always/  
been weak/ for love/ Only love can help us/ through/ Hearts beatin steady/  
beneath the earth of the ones I care about/ We'll meet you/ across the  
river/ when it's time/ Hearts beatin' faster/ now I know our time has surely  
come/ For us/ to love earth and rise closer to the sun/ I know my/ arms/  
can be crueller than they seem/ I know we can regain/ heart/ Every second/  
we grow more than we've ever/ Home is closer than we think/ Home is  
closer than we think/ Home is closer than we think//

Wouldn't you like me to say/ "I'm sorry"/ when you feel unheard and afraid/  
Wouldn't you like me to say/ "I'm sorry"/ even when I'm not to/ blame/ Every  
time I leave you / I/ I promise/ I won't stay the same/ And every time I say/  
"It's fine"/ I'm/ broken inside/ and I'm fallin' to my knees/ Promise me you  
love me/ And I'll promise you I'll stay/ Wouldn't I like you to say/ "I'm sorry"/  
When I'm feelin like I do/ Wouldn't I like you to say/ "I'm sorry"/ Even when  
I'm feelin blue/ Every time I leave you/ I/ I promise/ things won't/ stay the  
same/ And every time I say/ "It's fine"/ I'm/ broken inside/ and I'm fallin' to  
my knees/ I promise that I love you/ Will you promise me you'll stay/The  
problem when we fight/ Is that we're/ torn/ apart/ and we're/ kept part by  
lies/ The problem when we think/ it's/ fine/ Is that we/ go on losin'/ whether  
we live or we/ die/ Promise me you love me/ And I'll/ promise/ promise that  
I'll/ stay/ I promise that I love you/ Will you promise me you'll stay?//

I love the way/ you/ feel/ inside my body/ and my soul/  
I love the way/ you/ sing/ inside my body/ and my soul/ I will do every/  
thing/ to heal this wreckage/ of past loves/I'm on my way/ Catchin the breeze  
through the window of /my body/ and my soul/ Catchin the lazy/  
river of my mind/ Even though/ I know/ I won't/ be/  
a part of you/ until i'm/ swimmin to/ your shore/ you'll be/ swimmin to/  
my door/ Who's pretending I'm around/ We're livin out/  
a quiet reckoning of our lives/ Who's pretending I'm alone here/ in this/  
surfacing I found you/ where I'm holding you/ we're holding you/  
you're holding me/ we're holding me/ I'm holding me/ you're holding you/  
we're holding we/ Memory fails to remember who I am when  
I'm talkin to you/ when I'm/ I'm gonna lose some part of my soul/  
I've been down that road/ when I thought I lost you through the/  
trials of a life/ the/ trials of a lifetime/ Making love is all I ever needed/  
when we're/ makin up from the last time/ we held each other/ and we're/  
makin love every second of our days/ where I'm holding you/  
we're holding you/ you're holding me/ we're holding me/ I'm holding me/  
you're holding you/ we're holding we/ Even when I'm lost/  
Even when I'm tired/ I'm so sick and tired/ Even when I'm loose/  
with the ways I let you touch me/ we're still holding you/ I'm holding you/  
we're holding me/ you're holding me/ I'm holding me/  
you're holding you/ we're holding we//

I've tried/ to say the words/ that I know/ you want/ to hear/ And I've  
wanted/ you/ But I'm not/ the kind of person I once was/ I've tried/  
at least a hundred times/ to offer you/ some of my love/  
But now/ I'm not the kind of person/ I/ once was//

Little one/ in a/ small town/ Feeling/ so o o/ alive/Little one/ in a/  
small town/ feelin so/ at ease/ Being/ with my/ small self/ I'm givin'  
in/ to these arms/ Cuz I'm alive/ in this place/ In this lifetime/ And I  
love this/ And I want this/ But I won't/ settle down/ Lately/ I wasn't/  
afraid/ That I loved this part of you/ But wandered/ into my small  
self/ And I awoke with this opportunity/ Cuz I'm alive/ for this time/  
And I'm feelin so carefree/ And I'm alive/ for this time/ for this  
lifetime/ I struggled long/ to be home/ with/ honesty/and belong/ to/  
this/ this whole body/ and this place I often/ often call my self/ is just  
a little part of me/ and you/ And myself is/ much larger/ than I  
know/ and this place/ this place/ is only space/ and a long lost/  
feeling/ called home.
