

Soldier - I don't want to be a soldier / And feed the bleeding wounds of war / I don't want to be the recklessness of hearts / The laughter, joy, compassion torn / I don't want to leave our hunger / the last remaining toils of peace / I don't want to be a hero / I want to be your brother // I don't want to build a fortress / And take the freedom from my heart / I don't want to see the cause of pain / And lead us all away from home / I don't want to be a prisoner / And lock these worries in my womb / I don't want to be a savior / I want to be your brother // I want to tell my sister / My mother, father too / the gifts in life are plenty / the chance to grow and change / I want our generation / to heal the bleeding wounds of war / I want to be your freedom / I want to be your brother //

Boulevard - I walked along / the Boulevard / lookin' for love / just lookin' for love // I smiled upon / the boulevard / lookin' for love / just lookin' for love // On and on it plays / the same old song / on the same old page / it reads / the words / the words you asked of me // Are you ready? / Are you ready for this love ? / Come and get your love / Come and give your love today // I never was / the kind of man / who'd get his fix / on stayin' mad / but I've walked along / this lonely street / and I won't be mad / to give it all away // Are you ready? / Are you ready for this love ? / Come and get your love / Come and give your love today //

Tied A Ribbon - I tied a ribbon 'round the moon / Close your eyes / And you will see // All the colors of your soul / live within a beautiful pearl / I tied a ribbon 'round the moon // Close your eyes / And make believe / what's inside your fairy tale / is a bright and shimmering me / In your hands are my hands / In your tears are my tears / In your smile is my smile / So don't cry / Don't cry / Dry your eyes little bird / Today is a beautiful day // I tied a ribbon 'round the moon / Close your eyes / And you will see // All the colors in a pearl / live within both you and me // In your hands are my hands / In your tears are my tears / In your smile is my smile / So don't cry / Don't cry / Dry your eyes little bird / Today is a beautiful day //
