Food and books to purchase at event

Learn about the culture and history of WWII Indonesia with co-author of *Blue Skies, Troubled Waters: An American Twin's WWII Odyssey in Minahasa, Indonesia*. This is his grandma's story. She was imprisoned by Japan's forces in the Dutch East Indies (Indonesia) after being deported there from America because of her father's undocumented status. Includes a book reading, sharing, and slides of recently uncovered maps and photos.
